ANNUAL REPORT 2020

CONTINENTAL
PETROLEUMS LIMITED

“Growth is never by mere chance; it is the result of forces working together.”

CLIENTELE

Being a client centric organization, our aim is to meeting the precise requirements of our clients. We plan and carry out all our processes and endeavors keeping this aim in mind. Our superior quality product and market competitive price has helped us in building a vast customer base across the country.

QUALITY ASSURANCE

Our unmatched quality of products has helped us in gaining the trust and respect of our valued customers around the globe. Our highly trained professionals possess complete knowledge regarding the process of production.

CHAIRMAN'S WORDS

Dear Shareholders,

It is a great pleasure to connect with you at the end of another eventful financial year 2019-20. We live in a fast-changing times where in more responsive we are to these changes the better prepared we will be for the future. Our Customer-centric approach, future ready strategies and adherence to the core values of Quality Endurance and Passion led us to post our performance so far. The Government "Make in India" & "Vocal for Local" policy aims to make India a global manufacturing hub in which we are taking steps to contribute our best possible.

The Indian economy has been volatile with uncertain ambiguous and complex business environment. However, this poses us challenges and it pushes us to set new benchmarks and standards for ourselves. We are in the process of making our packed lubricants BS VI specifications (coming wef 1st April 2020) ready across all range of categories to meet the future environment regulations and offer the best products for our customers.

The continuous fluctuation in the Global Crude Oil Prices and geo-political tensions has seen sharp spike in prices of base oils etc., however we have tried our best to maintain optimal stock level of base oils & optimal usage of available storage tank space. Profit from operations grew substantially year on year basis driven by robust working capital management. EPS (Basic) for the FY 2019-20 is 5.48 compared to FY 2019-18 was 2.90. We have expanded our customer base in the manufacturing segment through Industrial Lubricants which include Metalworking, Rubber Process Oils & speciality lubricants through a value selling approach.

The year also saw us to enhance our existing capacities of grease manufacturing by 100%. Common Treatment Disposal /Incineration Facility (CTDF) has been modernized & capacity has been expanded from 4500 MTA to 6030 MTA for various Industrial waste feeds viz. Solid, Liquid and Aqueous Wastes after obtaining Environmental Clearances from the Ministry of Environment & Forest. We see revenues to increase in this segment in the coming FY 2020-21. "Clean and Green Policy" forms an integral part of the Company's culture & operations.

We have invested in the high precision quality control and product development laboratory to meet global standards & OEM expectation. We hope to get the laboratory NABL accreditation. We remain highly enthusiastic to tap into the awaiting opportunities and continuously look out for newer business avenues.

Through all these efforts we are committed to prepare your Company for the future and deliver sustainable value for our various stakeholders & shareholders. We extend our gratitude to B2B customers, distribution partners, suppliers, bankers and our supportive fraternity of shareholders for their continuous trust and support. We continue to rely on your whole-hearted support as we pledge to drive your company to a future with high performance and success.

**MANAGEMENT
DISCUSSION AND
ANALYSIS REPORT**

1. INDUSTRY STRUCTURE & DEVELOPMENT:

Continental Petroleum Limited (CPL) is one of the leading manufacturers of industrial lubricants in India and manufacturing wide range of premium quality lubricants for Automotive & Industrial Application, specialties and process oils etc. under the registered brand name of "CONTOL". This industry has much growth potential and is growing globally. The company is also engaged in Common Treatment Disposal / Incineration of hazardous waste viz. solid, Liquid and Aqueous received from various industries.

2. OVERVIEW:

The financial statements have been prepared in compliance with the requirements of the Companies Act, 1956/2013 and made on a prudent and reasonable basis in order that the financial statements reflects a true and fair manner the form and substance of transactions and reasonably present our state of affairs and profit for the year.

3. OPPORTUNITIES AND THREATS:

The management believes that Government of India's efforts to improve economic growth in the Country by providing opportunities for start-ups and infrastructure development is giving hopes to entrepreneurs for exploring new opportunities. The Company is also looking to tap such opportunity at the right moment.

Any growing economy offers a host of opportunities. The challenge comes from the fact that competition also keeps increasing alongside and this is becoming all the more prominent with the continuous arrival of newer entrepreneurs in the market. While this is good for the larger population and the economy, it does put pressure on profitability of business. Not only newer entrepreneurs, technological advancement and the onset of on-line services have made it much easier to conduct businesses without too much need for supporting brick and mortar infrastructure. Not to mention that there is support from conducive government policies to anybody wanting to start a new business.

4. SEGMENT REPORTING'S

The Company is exclusively engaged in manufacturing of Lubricants and Greases and revenues are mainly derived from this activity. Accounting Standard 17 regarding Segment-wise Reporting issued by the Institute of Chartered Accountants of India and notified under the Companies (Accounting Standards) Rules, 2006 does not apply to your Company since revenues are derived from only one segment.

5. RISKS AND CONCERNS:

Your Company is exposed to internal and external risks. The internal risks relates to the risks within the Company due to change in management, personnel and policies, lapses / inadequacy in existing infrastructure facilities, delinquencies on the part of employees, staff attrition, misfeasance etc. The external risks can be associated to those factors which are not within the control of the Company like change in interest rates, government regulations, competition from others operating in similar businesses etc.

6. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

Company has always focused on maintain a strong internal control system which is commensurate with our size and nature of business. The Company's internal controls are structure in a manner that ensure reasonable assurance with regard to maintaining of proper accounting controls, monitoring of operations, protecting assets from unauthorized use or losses, executing transactions with proper authorization and ensuring compliance of corporate policies, laws, accounting standards for ensuring reliability of financial reporting

Company has documented procedures covering all financial and operating functions. Company has robust internal audit program, where the Internal Auditors, an independent firm of chartered accountants, conduct a risk-based audit with a view to not only test adherence to laid down policies and procedures but also to suggest improvements in processes and systems. Internal audit observations and recommendations are reported to the Audit Committee, which monitors the implementation of such recommendations. Suggestions for improvements are considered and the Audit Committee follows up on implementation of corrective actions. The Company also meets the Company's Statutory Auditors to ascertain, inter alia, their views on the adequacy of internal control systems and keeps the Board of Directors posted with its observations.

7. RISK MANAGEMENT

Comprehensive risk management practices form an integral part of the operations of Company. With ups and downs, volatility and fluctuations in the business in which Company operates, is exposed to a slew of complex, variable risks and uncertainties in the normal course of business. Since such variations can cause deviations in the results from operations and affect our financial state, the focus on risk management is high. The rapid and continuous changes in the business environment have ensured that the organization becomes increasingly risk focused to achieve its strategic objectives. Company policies ensure timely identification, management and mitigation of relevant risks, such as credit risk, liquidity risk, interest rate risk, operational risk, reputational and regulatory risks etc., which help the Company move forward with vigour.

8. HUMANRESOURCE:

The Company enjoys the services of human resources highly committed towards the growth of the Company. The Company ensures the health & safety requirements of all concerned at its sites as well as offices. There is a unity of purpose among all the employees of the Company.

9. HEALTH SAFETY ANDENVIRONMENT:

The management is aware of all the Health Safety and Environment issues that are relevant to the conduct of oil and gas operations. Hence enforces complete regard to the Health Safety and Environment and ensures all its personnel, contractors and others associated with the operations adhere to the Company's HSE policies and norms to ensure safe and environmentally friendly operations. Due to this, the Company has thus far been successful in conducting its operations safely.

10. CAUTIONARYSTATEMENT:

Statements in this report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable laws or regulations. These statements are based on certain assumptions and expectations of future events. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting global and domestic demand- supply, finished goods price in the domestic and overseas markets in which the Company operates, raw- materials cost and availability, changes in Government regulations, tax regimes, economic developments within or outside India and other factors such as litigation and industrial relations. Independent Auditor's Report

To the Members of **CONTINENTALPETROLEUM LIMITED**

Report on the Financial Statements

We have audited the accompanying Financial Statements of **CONTINENTAL PETROLEUM LIMITED** ("the company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss and the Statement of Cash Flow for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statement give the information required by the companies act, 2013 ("the act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020 and its Profits and its cash flows for the year ended on that date.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the act (SAs). Our responsibilities under those Standards are further described in *the Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than the Financial Statements and Auditors' Report Thereon

The company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report, Management Discussion and Analysis, Report on Corporate Governance and other Annexure to the Directors' report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. The other information is not available as on date of signing the report, and hence we do not report on the information other than the financial statements and auditor's report thereon.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial

statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individual or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transaction and events in a manner that achieves fair presentation.'

Materiality is the magnitude of misstatement in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with statement that we have compiled with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure "A"** a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

Report on Internal Financial Controls over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of CONTINENTAL PETROLEUM LIMITED (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

In our opinion, on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31,2020 , based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31,2020 financial statements of the Company, and these material weaknesses does not affect our opinion on the financial statements of the Company.

AUDITOR'S ADDITIONAL REPORT

To,
Board of Directors,
Continental Petroleums Limited

MANAGEMENT'S RESPONSIBILITY

The Management is responsible for the design and implementation of the internal procedures, systems, processes and controls to ensure compliance with the Directions on an ongoing basis. This responsibility also includes reporting non-compliances, if any, to the Reserve Bank of India, Board of the Company and its Audit Committee.

AUDITOR'S RESPONSIBILITY

Our responsibility is to report on the matters specified in the Directions based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI). Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether there are any identified non-compliances. An audit involves performing procedures to obtain audit evidence about the compliance with the Directions. The procedures selected depend on the Auditor's Judgment, including the assessment of the risks of material misstatement of the information and records, whether due to fraud or error. In making those risk assessments, the Auditor considers internal controls relevant to the Company's compliance with the Directions in order to design audit procedures that are appropriate in the circumstances. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our certificate. We conducted our examination in accordance with the Guidance Note on Special Purpose Audit Reports and Certificates issued by the Institute of Chartered Accountants of India.

CONCLUSION

Based on our examination of the books and records of the Company as produced for our examination and the information and explanations given to us we further report that:

SIGNIFICANT ACCOUNTING POLICIES

Notes on accounts forming part of the Ind AS financial statements as at end for the year ended 31.03.2020

NOTE '1': COMPANY OVERVIEW

Continental Petroleum's Limited is a listed public limited Company incorporated on 22/07/1986, having registered office at A-2, Opp. UdaygBhawan, TilakMarg, C- Scheme, Jaipur- 302005. Its Corporate Identification Number is (CIN) L23201RJ1986PLC003704). The Company is engaged in production of liquid or gaseous fuels, illuminating oils, lubricating oil, or Greases or other products from crude petroleum or bituminous minerals, and government order supplier and contractor

NOTE '2': BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES:

2.1 Statement of Compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 01, 2017. These financial statements comprising of Balance Sheet, Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flows and Statement of Changes in Equity for the year ended March 31, 2020 have been prepared in accordance with Indian Accounting Standards ("Ind AS") as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2.2 Basis of Preparation of Accounts

The financial statements are prepared on going concern, accrual and historical cost basis except certain financial assets and liabilities which have been measured at fair value.

The Company has adopted all the Ind AS and that was carried out in accordance with Ind AS 101 "First time adoption of Indian Accounting Standards". The transition was carried out from Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, which was the previous GAAP. Reconciliations and descriptions of the effect of the transition have been summarized in Note 23 (12) (ii) and 23 (12) (iii).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements for the year ended March 31, 2020 were approved by the Board of Directors and authorize for issue on June 29, 2020.

2.3 Functional and Presentation Currency

The financial statements are prepared in Indian Rupees ("INR") which is the Company's presentation currency and the functional currency for all its operations. All financial information presented in INR has been rounded to the nearest Lakh with two decimal places unless stated otherwise.

2.4 Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

The Company based its assumptions and estimates or parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Property, Plant & Equipment and Intangible Assets

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

2.5 Classification of Assets and Liabilities as Current and Non Current

All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Company and their realization in cash and cash equivalent, the Company has determined its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.6 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Sale of Goods

Revenue from the sale of goods is recognized, when all the significant risks and rewards of ownership of the goods have passed to the buyer, the Company no longer has effective control over the goods sold, the amount of revenue and costs associated with the transaction can be measured reliably and no significant uncertainty exists regarding the amount of consideration that will be derived from the sales of goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

2.7 Inventory

Inventories are valued at the lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.8 Property, Plant & Equipment

Property, Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the costs to the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred.

The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset only if the recognition criteria for a provision are met and amount is considered material. Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

Depreciation

Depreciation is calculated on Straight Line basis over the useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.9 Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. Amortization methods and useful lives are reviewed periodically including at each financial year end.

Research and Development Costs

Research costs are expensed as incurred. Development expenditures are recognised as an intangible asset when they meet necessary recognition criteria.

2.10 Leases

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognized as operating lease. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term, unless the lease agreement explicitly states that increase is on account of inflation.

2.11 Impairment of Assets

Non-financial asset

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss.

Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

2.12 Financial Assets & Liabilities

Financial Instruments

a) Initial Recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through

profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

b) Subsequent Measurement

(i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest rate method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

c) Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

d) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.13 Foreign Exchange Transactions/Translations

Financial statements are presented in INR, which is Company's functional currency. Monetary assets and liabilities denominated in foreign currencies (except financial instruments designated as Hedge Instruments) are translated at the functional currency spot rates of exchange at the reporting date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

All exchange differences are included in profit or loss except any exchange differences on monetary items designated as an effective hedging instrument of the currency risk of designated forecasted sales or purchases, which are recognized in the other comprehensive income.

2.14 Employee Benefits

Short-term Employee Benefits are recognized as an expense on accrual basis. The Company does not have any liability towards long-term employee benefits.

2.15 Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be paid to or recovered from the taxation authorities in accordance with Income Tax Act 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in other comprehensive income or in equity.

Deferred Tax

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

2.16 Provision, Contingent Liabilities & Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognized but are disclosed in notes.

Contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent assets are not recognized in financial statements and are disclosed in notes when it is virtually certain that economic benefits will inflow to the Company.

2.17 Segment Reporting

Identification of Segments: An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

2.18 Earnings Per Share

The Company presents basic and diluted earnings per share (EPS) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.19 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.20 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.21 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

2.22 Fair Value Management

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

2.23 Recent accounting pronouncements

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The Company is evaluating the requirement of the amendment and the impact on the financial statements. The effect on adoption of Ind AS 21 is expected to be insignificant.

Ind AS 115, Revenue from Contract with Customers:

Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

- a) Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors
- b) Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach)

The Company is evaluating the requirement of the amendment and the impact on the financial statements. The effect on adoption of Ind AS 115 is expected to be insignificant.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 AND 110 OF THE COMPANIES ACT, 2013

ITEM NO. 1 & 2

Sub-Division of Equity Shares and Alteration of Capital Clause of Memorandum of Association

As the members are aware, the equity shares of your company are listed on the Bombay Stock Exchange. With a view to broad base the investor base by encouraging the participation of the retail investors and also with a view to increase the liquidity of the Company's Shares, the Board of Directors in its meeting held on August 29, 2020 recommended sub-division of the nominal value and paid-up value of (Authorised, Issued, Subscribed and paid-up) of the company from 1 (One) equity share of Rs. 10/- (Rupees Ten only) each into 2 (two) equity shares of Rs. 5/- (Rupees Five only) each. The aforesaid sub-division of equity shares of Rs. 10/- (Rupees Ten only) each into equity shares of Rs. 5/- (Rupees Five only) each would require amendment to existing Capital Clause V of the Memorandum of Association.

Pursuant to the provisions of Section 13, and Section 61 of the Companies Act, 2013 approval of the members is required for subdivision of shares and consequent amendment to Clause V of the Memorandum of Association. The Board recommends the Resolutions at item No. 1 and 2 of this Notice, for approval of the Members.

After approval of the resolutions set out at Item Nos. 1 and 2, the Board of Directors or Committee thereof will fix the record date for the purpose of ascertaining the list of members whose shares shall be sub-divided, as proposed above and the same shall be notified to the members through appropriate medium. Members who are holding shares in physical form are required to submit to the company the old share certificate through courier or any other postal medium so that company shall send them new share certificate on their latest address.

A copy of the Memorandum of Association along with proposed amendments will be open for inspection by the Members at the Registered Office of

the Company during business hours on all working days up to the date of Annual General Meeting.

None of the Directors, Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Resolutions, except to the extent of equity shares held by them in the Company.

NOTES TO MEMBERS

To the kind attention of the Members of the Company holding shares in physical form: As you all aware, the shares of the Company are mandated by the Securities and Exchange Board of India (SEBI) for trading in dematerialized form by all Members. Members may please note that with effect from April 1, 2019, shares held in physical form cannot be transferred. Members in their own interest are requested to have their physical holdings dematerialized through a Depository Participant by opening a demat account.

We give below a brief overview of Depository, Depository Participants and Dematerialization (Demat) of Shares in order to encourage Members of the Company to convert their physical holdings to Demat form. Depository/ Depository Participant:

A Depository can be compared to a bank. A Depository holds securities (like shares, debentures, bonds, Government Securities, units etc.) of Members in electronic form. Besides holding securities, a Depository also provides services related to transactions in securities. In India National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) are the 2 Depositories.

A Depository interfaces with the members through its agents called Depository Participants (DPs). If a member wants to avail the services offered by the Depository, the member has to open an account with a DP. This is similar to opening an account with any branch of a bank in order to utilize the bank's services. NSDL/CDSL provides its services to members through its agents called Depository Participants (DPs). These agents are appointed by NSDL/CDSL with the approval of SEBI. According to SEBI Regulations, amongst others, 3 categories of entities i.e. Banks, Financial Institutions and Members of Stock Exchanges [brokers] registered with SEBI can become DPs. You can get a list of DPs from NSDL's/CDSL's office or from their respective websites viz., at www.nsdl.co.in and www.cdslindia.com.

You can select your DP to open a Demat account just like you select a bank for opening a savings account. Some of the important factors for selection of a DP can be: Convenience - Proximity to your office/residence, business hours; Comfort - Reputation of the DP, past association with the organization, whether the DP is in a position to give the specific service you may need? ; Cost - The service charges levied by DP and the service standards. You can approach any DP of your choice and fill up an account opening form. At the time of opening an account, you may have to sign an agreement with the DP in a NSDL/CDSL

prescribed standard agreement, which details you and your DPs rights and duties. You will have to submit the

documents relating to Proof of Identity, Proof of Address, Passport size photographs etc., with the prescribed account opening form.

Procedure and Benefits of Dematerialization (Demat) of shares are given below:

1. Demat is a process by which shares/securities held in physical form are cancelled and destroyed and the ownership thereof is retained in fungible form in a Depository by way of electronic balances.

2. The benefits of Demat are: Elimination of bad deliveries; Elimination of all risks associated with physical certificates; No stamp duty on transfers; Immediate transfer and trading of shares; Faster disbursement of non-cash corporate benefits like rights, bonus etc.; Periodic status reports and information available on internet; Ease related to change of address of member; Elimination of problems related to transmission of demat shares and ease in pledging the shares.

3. Procedure for getting demat shares in the name of legal heirs in the event of death of sole beneficial owner with nomination: - If the value of shares of the Company as on date of application is up to Rs. 5 Lakhs, the legal heirs should submit the following documents to the DP: Notarized copy of the death certificate; Transmission Request Form (TRF); Affidavit- to the effect of the claim of legal ownership to the shares; Deed of indemnity - Indemnifying the depository and DP; NOC from legal heirs, if applicable or family settlement deed duly executed by all legal heirs of the deceased beneficial owner. - If the value of the shares of the Company as on date of application is more than Rs. 5 Lakhs, the legal heirs should additionally submit one of the following documents to the DP: Surety Form; Succession certificate; Probated will and Letter of administration. Members holding shares in physical form are advised to dematerialize their shares to avoid the risks associated with the physical holding of such share certificates.

SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in physical form can submit their PAN details to the Company's Registrar and Transfer Agent (R&T): Beetal Financial & Computer Services Pvt.
